SUMMARY

MS in Information Systems (Data Analytics focus) candidate at **Texas Tech University** with a background in **UI/UX Engineering**. Expert at leveraging **Python and SQL** to transform complex datasets into user-centric visual insights, evidenced by a **30% improvement in project delivery efficiency**. Seeking a Data Science internship to apply a unique blend of analytical rigor and design thinking to solve real-world business challenges.

KEY ACHIEVEMENTS

Enhanced Student Performance
Increased student exam scores by 15% through targeted feedback and study sessions.

Expanded Market Reach
Expanded company's market reach by 20% in two months using strategic marketing initiatives.

Boosted Project Efficiency
Successfully lead team to improve project delivery time by 30%, enhancing efficiency.

Streamlined Design Process
Implemented new design framework in two weeks, reducing development time by 25%.

EXPERIENCE

09/2025
Lubbock, Texas

Graduate Assistant (Python Programming & UI)
Texas Tech University - Rawls College of Business
- Support Python programming course by grading assignments, quizzes, and exams with focus on accuracy and code quality
- Evaluate student programming solutions for correctness, efficiency, and adherence to best practices
- Assist in developing a new UI/UX design course, collecting industry case studies and organizing reference materials
- Apply strong analytical, technical, and organizational skills to academic and curriculum development projects

05/2025 - 07/2025
Stockton, California

Operations Lead
LilBhaktis
- Drove sales growth by targeting key customers and expanding market reach
- Strengthened team performance through task alignment, collaboration, and culture building
- Unified brand presence across platforms by leading creative campaigns and process improvements

07/2024 - 07/2025
Kathmandu, Nepal

Professor
Westcliff University
- Designed undergraduate course and syllabus, tailoring content to student needs
- Assessed assignments and facilitated engaging discussions to enhance learning
- Delivered practical sessions, equipping students with real-world skills

05/2022 - 07/2025
Kathmandu, Nepal

UI/UX Engineer
Deerhold Nepal Pvt. Ltd
- Designed wireframes and prototypes using Figma/XD for enterprise applications
- Collaborated with engineering and product teams to deliver UX enhancements
- Conducted usability testing and incorporated findings into iterative design cycles
- Improved task completion time or adoption metrics where possible

EDUCATION

05/2027
Lubbock, Texas

Master of Science, Information Systems
Texas Tech University
- Rawls College of Business - Lubbock, Texas
- Master of Science, Information Systems

05/2022
Kathmandu, Nepal

Bachelor of Science, Computer Science and Information Technology
Tribhuvan University
- Deerwalk Institute of Technology - Kathmandu, Nepal
- Bachelor of Science, Computer Science and Information Technology
